Bill 99-__-f
Web Page Outline
December 6, 1999

Purpose: For the Student Government Association of Western Kentucky University to amend the Bylaws to establish a standard outline for our web page.

Whereas: Western Kentucky University Student Government Association needs to clearly define the web page's ideal purpose and structure, and

Whereas: The amendment will provide a clear outline of one of the major obligations for the Information Technology Director, and

Whereas: The amendment will aid the Student Government Association in designing a web page that best meets the needs of the students.

Whereas:

Therefore: Be it affirmed that we, the members of the Student Government Association of Western Kentucky University, do hereby adopt the following amendment to the Student Government Association Bylaws.

Amendment

Article II

Section 4

Clause A: The Student Government Association Web Page

The main duty of the Information Technology Director will be to maintain the web page of the Student Government Association. Guidelines for the purpose for and maintenance of the web page are as follows:

1. The web page will have a news section with information on issues that are pertinent to the students; this section will be updated at least once a month (not including June or July) so that it may address new issues in a timely manner.
2. The web page will have current events section to keep the students informed on upcoming Student Government and University events; this section will be updated at least once a month (not including June or July) so that it may communicate upcoming events well in advance.
3. The web page will include a section that describes the three branches of the Student Government Organization and of the Constitutional Committees; this section will be updated at least once a month to include new information.
4. The web page will not endorse, in any way, any outside organization that seeks to profit from the students of Western Kentucky University.
- 5.
